

Senate Bill No. 1184

CHAPTER 613

An act to amend Sections 63.1, 69.5, 532, and 606 of the Revenue and Taxation Code, relating to taxation.

[Approved by Governor October 7, 2001. Filed with
Secretary of State October 9, 2001.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1184, Committee on Revenue and Taxation. Property taxation.

(1) The California Constitution generally limits ad valorem taxes on real property to 1% of the full cash value of that property. For purposes of this limitation, "full cash value" is defined as the assessor's valuation of real property as shown on the 1975-76 tax bill under "full cash value" or, thereafter, the appraised value of that real property when purchased, newly constructed, or a change in ownership has occurred. The California Constitution also excludes from the terms "purchased" and "change in ownership" the purchase or transfer of the principal residence of the transferor, or the purchase or transfer of the first \$1,000,000 of all other real property, in the case of a purchase or transfer between parents and their children, or grandparents and grandchildren as defined by the Legislature. Statutory law that implements this constitutional exclusion specifies various requirements and procedures.

This bill would, for purposes of those provisions, revise and recast signature and certification requirements, and clarify those requirements in the case in which the excluded requirements transfer involves multiple transferees.

(2) Existing property tax law permits persons over 55 years of age and persons who are severely and permanently disabled, as specified, to transfer, under certain conditions, the property tax base year value of their home to a replacement home in the same county, and if a county ordinance so providing has been adopted, to a replacement home in a different county.

This bill, would clarify, in the case of persons over 55 years of age and persons who are severely or permanently disabled, who are transferring the base year value of their home to a replacement home under circumstances where the original home has been substantially damaged or destroyed by a misfortune or calamity and the original home is not repaired or rebuilt, that the base year value of the original home is the full cash value as if the home were appraised immediately prior to the damage or destruction.

(3) Existing law, known as the California Land Conservation Act of 1965, or the Williamson Act, authorizes a city or county, by contract, to limit the uses of land to agricultural uses or as an agricultural preserve in exchange for reduced property taxes.

This bill would generally require an assessment of taxes, penalties or interest that accrue as a result of a compliance audit of records of a local assessor, conducted by, or on behalf of the Department of Conservation, on land values pursuant to the Williamson Act, to be made within 4 years after July 1 of the assessment year in which the property escaped taxation or was underassessed.

(4) Existing property tax law generally requires that an escape assessment be made within 4 years after July 1 of the assessment year in which the subject property escaped taxation or was underassessed, but specifies a 6-year limitations period for the making of an escape assessment that is subject to a statutory penalty for evasion or misrepresentation with respect to taxable personal property.

This bill would increase that 6-year limitations period to 8 years.

(5) Existing property tax law requires, where any tract of land is situated in 2 or more revenue districts, that the portion of the land in each district be separately assessed. Existing law also provides, as exceptions to that requirement, (a) that where the owner of 2 or more contiguous parcels comprising the multiple district tract is identical, and the full value of any parcel is less than \$5,000, that parcel may for assessment purposes be combined with the contiguous parcel with the greatest assessed valuation, and (b) that where the multiple district tract, comprised of 2 or more contiguous parcels under common ownership, is being used for a single-family residence and constitutes 15,000 square feet or less, the smallest parcel therein may be combined with the largest contiguous parcel.

This bill would increase the thresholds for purposes of those exceptions from \$5,000 to \$25,000, and from 15,000 square feet to 45,000 square feet.

(6) Section 2229 of the Revenue and Taxation Code requires the Legislature to reimburse local agencies annually for certain property tax revenues lost as a result of any exemption or classification of property for purposes of ad valorem property taxation.

This bill would provide that, notwithstanding Section 2229 of the Revenue and Taxation Code, no appropriation is made and the state shall not reimburse local agencies for property tax revenues lost by them pursuant to the bill.

(7) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that

reimbursement, including the creation of a State Mandates Claims Fund to pay the costs of mandates that do not exceed \$1,000,000 statewide and other procedures for claims whose statewide costs exceed \$1,000,000.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 63.1 of the Revenue and Taxation Code is amended to read:

63.1. (a) Notwithstanding any other provision of this chapter, a change in ownership shall not include the following purchases or transfers for which a claim is filed pursuant to this section:

(1) The purchase or transfer of real property which is the principal residence of an eligible transferor in the case of a purchase or transfer between parents and their children.

(2) The purchase or transfer of the first one million dollars (\$1,000,000) of full cash value of all other real property of an eligible transferor in the case of a purchase or transfer between parents and their children.

(3) (A) Subject to subparagraph (B), the purchase or transfer of real property described in paragraphs (1) and (2) of subdivision (a) occurring on or after March 27, 1996, between grandparents and their grandchild or grandchildren, if all of the parents of that grandchild or those grandchildren, who qualify as the children of the grandparents, are deceased as of the date of purchase or transfer.

(B) A purchase or transfer of a principal residence shall not be excluded pursuant to subparagraph (A) if the transferee grandchild or grandchildren also received a principal residence, or interest therein, through another purchase or transfer that was excludable pursuant to paragraph (1) of subdivision (a). The full cash value of any real property, other than a principal residence, that was transferred to the grandchild or grandchildren pursuant to a purchase or transfer that was excludable pursuant to paragraph (2) of subdivision (a) and the full cash value of a principal residence that fails to qualify for exclusion as a result of the preceding sentence shall be included in applying, for purposes of paragraph (2) of subdivision (a), the one million dollar (\$1,000,000) full cash value limit specified in paragraph (2) of subdivision (a).

(b) (1) For purposes of paragraph (1) of subdivision (a), “principal residence” means a dwelling for which a homeowners’ exemption or a disabled veterans’ residence exemption has been granted in the name of

the eligible transferor. “Principal residence” includes only that portion of the land underlying the principal residence that consists of an area of reasonable size that is used as a site for the residence.

(2) For purposes of paragraph (2) of subdivision (a), the one million dollar (\$1,000,000) exclusion shall apply separately to each eligible transferor with respect to all purchases by and transfers to eligible transferees on and after November 6, 1986, of real property, other than the principal residence, of that eligible transferor. The exclusion shall not apply to any property in which the eligible transferor’s interest was received through a transfer, or transfers, excluded from change in ownership by the provisions of either subdivision (f) of Section 62 or subdivision (b) of Section 65, unless the transferor qualifies as an original transferor under subdivision (b) of Section 65. In the case of any purchase or transfer subject to this paragraph involving two or more eligible transferors, the transferors may elect to combine their separate one million dollar (\$1,000,000) exclusions and, upon making that election, the combined amount of their separate exclusions shall apply to any property jointly sold or transferred by the electing transferors, provided that in no case shall the amount of full cash value of real property of any one eligible transferor excluded under this election exceed the amount of the transferor’s separate unused exclusion on the date of the joint sale or transfer.

(c) As used in this section:

(1) “Purchase or transfer between parents and their children” means either a transfer from a parent or parents to a child or children of the parent or parents or a transfer from a child or children to a parent or parents of the child or children. For purposes of this section, the date of any transfer between parents and their children under a will or intestate succession shall be the date of the decedent’s death, if the decedent died on or after November 6, 1986.

(2) “Purchase or transfer of real property between grandparents and their grandchild or grandchildren” means a purchase or transfer on or after March 27, 1996, from a grandparent or grandparents to a grandchild or grandchildren if all of the parents of that grandchild or those grandchildren who qualify as the children of the grandparents are deceased as of the date of the transfer. For purposes of this section, the date of any transfer between grandparents and their grandchildren under a will or by intestate succession shall be the date of the decedent’s death.

(3) “Children” means any of the following:

(A) Any child born of the parent or parents, except a child, as defined in subparagraph (D), who has been adopted by another person or persons.

(B) Any stepchild of the parent or parents and the spouse of that stepchild while the relationship of stepparent and stepchild exists. For purposes of this paragraph, the relationship of stepparent and stepchild shall be deemed to exist until the marriage on which the relationship is based is terminated by divorce, or, if the relationship is terminated by death, until the remarriage of the surviving stepparent.

(C) Any son-in-law or daughter-in-law of the parent or parents. For the purposes of this paragraph, the relationship of parent and son-in-law or daughter-in-law shall be deemed to exist until the marriage on which the relationship is based is terminated by divorce or, if the relationship is terminated by death, until the remarriage of the surviving son-in-law or daughter-in-law.

(D) Any child adopted by the parent or parents pursuant to statute, other than an individual adopted after reaching the age of 18 years.

(4) “Grandchild” or “grandchildren” means any child or children of the child or children of the grandparent or grandparents.

(5) “Full cash value” means full cash value, as defined in Section 2 of Article XIII A of the California Constitution and Section 110.1, with any adjustments authorized by those sections, and the full value of any new construction in progress, determined as of the date immediately prior to the date of a purchase by or transfer to an eligible transferee of real property subject to this section.

(6) “Eligible transferor” means a grandparent, parent, or child of an eligible transferee.

(7) “Eligible transferee” means a parent, child, or grandchild of an eligible transferor.

(8) “Real property” means real property as defined in Section 104. Real property does not include any interest in a legal entity.

(9) “Transfer” includes, and is not limited to, any transfer of the present beneficial ownership of property from an eligible transferor to an eligible transferee through the medium of an inter vivos or testamentary trust.

(10) “Social security number” also includes a taxpayer identification number issued by the Internal Revenue Service in the case in which the taxpayer is a foreign national who cannot obtain a social security number.

(d) (1) The exclusions provided for in subdivision (a) shall not be allowed unless the eligible transferee, the transferee’s legal representative, or the executor or administrator of the transferee’s estate files a claim with the assessor for the exclusion sought and furnishes to the assessor each of the following:

(A) A written certification by the transferee, the transferee’s legal representative, or the executor or administrator of the transferee’s estate,

signed and made under penalty of perjury that the transferee is a grandparent, parent, child, or grandchild of the transferor and that the transferor is his or her parent, child, or grandparent. In the case of a grandparent-grandchild transfer, the written certification shall also include a certification that all the parents of the grandchild or grandchildren who qualify as children of the grandparents were deceased as of the date of the purchase or transfer and that the grandchild or grandchildren did or did not receive a principal residence excludable under paragraph (1) of subdivision (a) from the deceased parents, and that the grandchild or grandchildren did or did not receive real property other than a principal residence excludable under paragraph (2) of subdivision (a) from the deceased parents. The claimant shall provide legal substantiation of any matter certified pursuant to this subparagraph at the request of the county assessor.

(B) A written certification shall also include either or both of the following:

(i) If the purchase or transfer of real property includes the purchase or transfer of residential real property, a certification that the residential real property is or is not the transferor's principal residence.

(ii) If the purchase or transfer of real property includes the purchase or transfer of real property other than the transferor's principal residence, a certification that other real property of the transferor that is subject to this section has or has not been previously sold or transferred to an eligible transferee, the total amount of full cash value, as defined in subdivision (c), of any real property subject to this section that has been previously sold or transferred by that transferor to eligible transferees, the location of that real property, the social security number of each eligible transferor, and the names of the eligible transferees of that property.

(C) If there are multiple transferees, the certification and signature may be made by any one of the transferees, if both of the following conditions are met:

(i) The transferee has actual knowledge that, and the certification signed by the transferee states that, all of the transferees are eligible transferees within the meaning of this section.

(ii) The certification is signed by the transferee as a true statement made under penalty of perjury.

(2) If the full cash value of the real property purchased by or transferred to the transferee exceeds the permissible exclusion of the transferor or the combined permissible exclusion of the transferors, in the case of a purchase or transfer from two or more joint transferors, taking into account any previous purchases by or transfers to an eligible transferee from the same transferor or transferors, the transferee shall

specify in his or her claim the amount and the allocation of the exclusion he or she is seeking. Within any appraisal unit, as determined in accordance with subdivision (d) of Section 51 by the assessor of the county in which the real property is located, the exclusion shall be applied only on a pro rata basis, however, and shall not be applied to a selected portion or portions of the appraisal unit.

(e) (1) The State Board of Equalization shall design the form for claiming eligibility. Except as provided in paragraph (2), any claim under this section shall be filed:

(A) For transfers of real property between parents and their children occurring prior to September 30, 1990, within three years after the date of the purchase or transfer of real property for which the claim is filed.

(B) For transfers of real property between parents and their children occurring on or after September 30, 1990, and for the purchase or transfer of real property between grandparents and their grandchildren occurring on or after March 27, 1996, within three years after the date of the purchase or transfer of real property for which the claim is filed, or prior to transfer of the real property to a third party, whichever is earlier.

(C) Notwithstanding subparagraphs (A) and (B), a claim shall be deemed to be timely filed if it is filed within six months after the date of mailing of a notice of supplemental or escape assessment, issued as a result of the purchase or transfer of real property for which the claim is filed.

(2) In the case in which the real property subject to purchase or transfer has not been transferred to a third party, a claim for exclusion under this section that is filed subsequent to the expiration of the filing periods set forth in paragraph (1) shall be considered by the assessor, subject to all of the following conditions:

(A) Any exclusion granted pursuant to that claim shall apply commencing with the lien date of the assessment year in which the claim is filed.

(B) Under any exclusion granted pursuant to that claim, the adjusted full cash value of the subject real property in the assessment year described in subparagraph (A) shall be the adjusted base year value of the subject real property in the assessment year in which the excluded purchase or transfer took place, factored to the assessment year described in subparagraph (A) for both of the following:

(i) Inflation as annually determined in accordance with paragraph (1) of subdivision (a) of Section 51.

(ii) Any subsequent new construction occurring with respect to the subject real property.

(3) (A) Unless otherwise expressly provided, the provisions of this subdivision shall apply to any purchase or transfer of real property that occurred on or after November 6, 1986.

(B) Paragraph (2) shall apply to purchases or transfers between parents and their children that occurred on or after November 6, 1986, and to purchases or transfers between grandparents and their grandchildren that occurred on or after March 27, 1996.

(4) For purposes of this subdivision, a transfer of real property to a parent or child of the transferor shall not be considered a transfer to a third party.

(f) The assessor shall report quarterly to the State Board of Equalization all purchases or transfers, other than purchases or transfers involving a principal residence, for which a claim for exclusion is made pursuant to subdivision (d). Each report shall contain the assessor's parcel number for each parcel for which the exclusion is claimed, the amount of each exclusion claimed, the social security number of each eligible transferor, and any other information the board shall require in order to monitor the one million dollar (\$1,000,000) limitation in paragraph (2) of subdivision (a).

(g) This section shall apply to both voluntary transfers and transfers resulting from a court order or judicial decree. Nothing in this subdivision shall be construed as conflicting with paragraph (1) of subdivision (c) or the general principle that transfers by reason of death occur at the time of death.

(h) (1) Except as provided in paragraph (2), this section shall apply to purchases and transfers of real property completed on or after November 6, 1986, and shall not be effective for any change in ownership, including a change in ownership arising on the date of a decedent's death, that occurred prior to that date.

(2) This section shall apply to purchases or transfers of real property between grandparents and their grandchildren occurring on or after March 27, 1996, and, with respect to purchases or transfers of real property between grandparents and their grandchildren, shall not be effective for any change in ownership, including a change in ownership arising on the date of a decedent's death, that occurred prior to that date.

SEC. 2. Section 69.5 of the Revenue and Taxation Code is amended to read:

69.5. (a) (1) Notwithstanding any other provision of law, pursuant to subdivision (a) of Section 2 of Article XIII A of the California Constitution, any person over the age of 55 years, or any severely and permanently disabled person, who resides in property that is eligible for the homeowner's exemption under subdivision (k) of Section 3 of Article XIII of the California Constitution and Section 218 may transfer,

subject to the conditions and limitations provided in this section, the base year value of that property to any replacement dwelling of equal or lesser value that is located within the same county and is purchased or newly constructed by that person as his or her principal residence within two years of the sale by that person of the original property, provided that the base year value of the original property shall not be transferred to the replacement dwelling until the original property is sold.

(2) Notwithstanding the limitation in paragraph (1) requiring that the original property and the replacement dwelling be located in the same county, this limitation shall not apply in any county in which the county board of supervisors, after consultation with local affected agencies within the boundaries of the county, adopts an ordinance making the provisions of paragraph (1) also applicable to situations in which replacement dwellings are located in that county and the original properties are located in another county within this state. The authorization contained in this paragraph shall be applicable in a county only if the ordinance adopted by the board of supervisors complies with all of the following requirements:

(A) It is adopted only after consultation between the board of supervisors and all other local affected agencies within the county's boundaries.

(B) It requires that all claims for transfers of base year value from original property located in another county be granted if the claims meet the applicable requirements of both subdivision (a) of Section 2 of Article XIII A of the California Constitution and this section.

(C) It requires that all base year valuations of original property located in another county and determined by its assessor be accepted in connection with the granting of claims for transfers of base year value.

(D) It provides that its provisions are operative for a period of not less than five years.

(E) The ordinance specifies the date on and after which its provisions shall be applicable. However, the date specified shall not be earlier than November 9, 1988. The specified applicable date may be a date earlier than the date the county adopts the ordinance.

(b) In addition to meeting the requirements of subdivision (a), any person claiming the property tax relief provided by this section shall be eligible for that relief only if the following conditions are met:

(1) The claimant is an owner and a resident of the original property either at the time of its sale, or at the time when the original property was substantially damaged or destroyed by misfortune or calamity, or within two years of the purchase or new construction of the replacement dwelling.

(2) The original property is eligible for the homeowner's exemption, as the result of the claimant's ownership and occupation of the property as his or her principal residence, either at the time of its sale, or at the time when the original property was substantially damaged or destroyed by misfortune or calamity, or within two years of the purchase or new construction of the replacement dwelling.

(3) At the time of the sale of the original property, the claimant or the claimant's spouse who resides with the claimant is at least 55 years of age, or is severely and permanently disabled.

(4) At the time of claiming the property tax relief provided by subdivision (a), the claimant is an owner of a replacement dwelling and occupies it as his or her principal place of residence and, as a result thereof, the property is currently eligible for the homeowner's exemption or would be eligible for the exemption except that the property is already receiving the exemption because of an exemption claim filed by the previous owner.

(5) The original property of the claimant is sold by him or her within two years of the purchase or new construction of the replacement dwelling. For purposes of this paragraph, the purchase or new construction of the replacement dwelling includes the purchase of that portion of land on which the replacement building, structure, or other shelter constituting a place of abode of the claimant will be situated and that, pursuant to paragraph (3) of subdivision (g), constitutes a part of the replacement dwelling.

(6) The replacement dwelling, including that portion of land on which it is situated that is specified in paragraph (5), is located entirely within the same county as the claimant's original property.

(7) The claimant has not previously been granted, as a claimant, the property tax relief provided by this section, except that this paragraph shall not apply to any person who becomes severely and permanently disabled subsequent to being granted, as a claimant, the property tax relief provided by this section for any person over the age of 55 years. In order to prevent duplication of claims under this section within this state, county assessors shall report quarterly to the State Board of Equalization that information from claims filed in accordance with subdivision (f) and from county records as is specified by the board necessary to identify fully all claims under this section allowed by assessors and all claimants who have thereby received relief. The board may specify that the information include all or a part of the names and social security numbers of claimants and their spouses and the identity and location of the replacement dwelling to which the claim applies. The information may be required in the form of data processing media or

other media and in a format that is compatible with the recordkeeping processes of the counties and the auditing procedures of the state.

(c) The property tax relief provided by this section shall be available if the original property or the replacement dwelling, or both, of the claimant, includes, but is not limited to, either of the following:

(1) A unit or lot within a cooperative housing corporation, a community apartment project, a condominium project, or a planned unit development. If the unit or lot constitutes the original property of the claimant, the assessor shall transfer to the claimant's replacement dwelling only the base year value of the claimant's unit or lot and his or her share in any common area reserved as an appurtenance of that unit or lot. If the unit or lot constitutes the replacement dwelling of the claimant, the assessor shall transfer the base year value of the claimant's original property only to the unit or lot of the claimant and any share of the claimant in any common area reserved as an appurtenance of that unit or lot.

(2) A mobilehome or a mobilehome and any land owned by the claimant on which the mobilehome is situated. If the mobilehome or the mobilehome and the land on which it is situated constitutes the claimant's original property, the assessor shall transfer to the claimant's replacement dwelling either the base year value of the mobilehome or the base year value of the mobilehome and the land on which it is situated, as appropriate. No transfer of base year value shall be made by the assessor of that portion of land that does not constitute a part of the original property, as provided in paragraph (4) of subdivision (g). If the mobilehome or the mobilehome and the land on which it is situated constitutes the claimant's replacement dwelling, the assessor shall transfer the base year value of the claimant's original property either to the mobilehome or the mobilehome and the land on which it is situated, as appropriate. No transfer of base year value shall be made by the assessor to that portion of land that does not constitute a part of the replacement dwelling, as provided in paragraph (3) of subdivision (g).

This subdivision shall be subject to the limitations specified in subdivision (d).

(d) The property tax relief provided by this section shall be available to a claimant who is the coowner of original property, as a joint tenant, a tenant in common, or a community property owner, subject to the following limitations:

(1) If a single replacement dwelling is purchased or newly constructed by all of the coowners and each coowner retains an interest in the replacement dwelling, the claimant shall be eligible under this section whether or not any or all of the remaining coowners would otherwise be eligible claimants.

(2) If two or more replacement dwellings are separately purchased or newly constructed by two or more coowners and more than one coowner would otherwise be an eligible claimant, only one coowner shall be eligible under this section. These coowners shall determine by mutual agreement which one of them shall be deemed eligible.

(3) If two or more replacement dwellings are separately purchased or newly constructed by two coowners who held the original property as community property, only the coowner who has attained the age of 55 years, or is severely and permanently disabled, shall be eligible under this section. If both spouses are over 55 years of age, they shall determine by mutual agreement which one of them is eligible.

In the case of coowners whose original property is a multiunit dwelling, the limitations imposed by paragraphs (2) and (3) shall only apply to coowners who occupied the same dwelling unit within the original property at the time specified in paragraph (2) of subdivision (b).

(e) Upon the sale of original property, the assessor shall determine a new base year value for that property in accordance with subdivision (a) of Section 2 of Article XIII A of the California Constitution and Section 110.1, whether or not a replacement dwelling is subsequently purchased or newly constructed by the former owner or owners of the original property.

This section shall not apply unless the transfer of the original property is a change in ownership that either (1) subjects that property to reappraisal at its current fair market value in accordance with Section 110.1 or 5803 or (2) results in a base year value determined in accordance with this section, Section 69, or Section 69.3 because the property qualifies under this section, Section 69, or Section 69.3 as a replacement dwelling or property.

(f) A claimant shall not be eligible for the property tax relief provided by this section unless the claimant provides to the assessor, on a form that the assessor shall make available upon request, the following information:

(1) The name and social security number of each claimant and of any spouse of the claimant who was a record owner of the original property at the time of its sale or is a record owner of the replacement dwelling.

(2) Proof that the claimant or the claimant's spouse who resided on the original property with the claimant was, at the time of its sale, at least 55 years of age, or severely and permanently disabled. Proof of severe and permanent disability shall be considered a certification, signed by a licensed physician and surgeon of appropriate specialty, attesting to the claimant's severely and permanently disabled condition. In the absence of available proof that a person is over 55 years of age, the claimant shall

certify under penalty of perjury that the age requirement is met. In the case of a severely and permanently disabled claimant either of the following shall be submitted:

(A) A certification, signed by a licensed physician or surgeon of appropriate specialty that identifies specific reasons why the disability necessitates a move to the replacement dwelling and the disability-related requirements, including any locational requirements, of a replacement dwelling. The claimant shall substantiate that the replacement dwelling meets disability-related requirements so identified and that the primary reason for the move to the replacement dwelling is to satisfy those requirements. If the claimant, or the claimant's spouse or guardian, so declares under penalty of perjury, it shall be rebuttably presumed that the primary purpose of the move to the replacement dwelling is to satisfy identified disability-related requirements.

(B) The claimant's substantiation that the primary purpose of the move to the replacement dwelling is to alleviate financial burdens caused by the disability. If the claimant, or the claimant's spouse or guardian, so declares under penalty of perjury, it shall be rebuttably presumed that the primary purpose of the move is to alleviate the financial burdens caused by the disability.

(3) The address and, if known, the assessor's parcel number of the original property.

(4) The date of the claimant's sale of the original property and the date of the claimant's purchase or new construction of a replacement dwelling.

(5) A statement by the claimant that he or she occupied the replacement dwelling as his or her principal place of residence on the date of the filing of his or her claim.

The State Board of Equalization shall design the form for claiming eligibility.

Any claim under this section shall be filed within three years of the date the replacement dwelling was purchased or the new construction of the replacement dwelling was completed subject to subdivision (k).

(g) For purposes of this section:

(1) "Person over the age of 55 years" means any person or the spouse of any person who has attained the age of 55 years or older at the time of the sale of original property.

(2) "Base year value of the original property" means its base year value, as determined in accordance with Section 110.1, with the adjustments permitted by subdivision (b) of Section 2 of Article XIII A of the California Constitution and subdivision (f) of Section 110.1, determined as of the date immediately prior to the date that the original

property is sold by the claimant, or in the case where the original property has been substantially damaged or destroyed by misfortune or calamity and the owner does not rebuild on the original property, determined as of the date immediately prior to the misfortune or calamity.

If the replacement dwelling is purchased or newly constructed after the transfer of the original property, “base year value of the original property” also includes any inflation factor adjustments permitted by subdivision (f) of Section 110.1 for the period subsequent to the sale of the original property. The base year or years used to compute the “base year value of the original property” shall be deemed to be the base year or years of any property to which that base year value is transferred pursuant to this section.

(3) “Replacement dwelling” means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, that is owned and occupied by a claimant as his or her principal place of residence, and any land owned by the claimant on which the building, structure, or other shelter is situated. For purposes of this paragraph, land constituting a part of a replacement dwelling includes only that area of reasonable size that is used as a site for a residence, and “land owned by the claimant” includes land for which the claimant either holds a leasehold interest described in subdivision (c) of Section 61 or a land purchase contract. Each unit of a multiunit dwelling shall be considered a separate replacement dwelling. For purposes of this paragraph, “area of reasonable size that is used as a site for a residence” includes all land if any nonresidential uses of the property are only incidental to the use of the property as a residential site.

(4) “Original property” means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, that is owned and occupied by a claimant as his or her principal place of residence, and any land owned by the claimant on which the building, structure, or other shelter is situated. For purposes of this paragraph, land constituting a part of original property includes only that area of reasonable size that is used as a site for a residence, and “land owned by the claimant” includes land for which the claimant either holds a leasehold interest described in subdivision (c) of Section 61 or a land purchase contract. Each unit of a multiunit dwelling shall be considered a separate original property. For purposes of this paragraph, “area of reasonable size that is used as a site for a residence” includes all land if any nonresidential uses of the property are only incidental to the use of the property as a residential site.

(5) “Equal or lesser value” means that the amount of the full cash value of a replacement dwelling does not exceed one of the following:

(A) One hundred percent of the amount of the full cash value of the original property if the replacement dwelling is purchased or newly constructed prior to the date of the sale of the original property.

(B) One hundred and five percent of the amount of the full cash value of the original property if the replacement dwelling is purchased or newly constructed within the first year following the date of the sale of the original property.

(C) One hundred and ten percent of the amount of the full cash value of the original property if the replacement dwelling is purchased or newly constructed within the second year following the date of the sale of the original property.

For the purposes of this paragraph, except as otherwise provided in paragraph (4) of subdivision (h), if the replacement dwelling is, in part, purchased and, in part, newly constructed, the date the “replacement dwelling is purchased or newly constructed” is the date of purchase or the date of completion of construction, whichever is later.

(6) “Full cash value of the replacement dwelling” means its full cash value, determined in accordance with Section 110.1, as of the date on which it was purchased or new construction was completed, and after the purchase or the completion of new construction.

(7) “Full cash value of the original property” means, either:

(A) Its new base year value, determined in accordance with subdivision (e), without the application of subdivision (h) of Section 2 of Article XIII A of the California Constitution, plus the adjustments permitted by subdivision (b) of Section 2 of Article XIII A and subdivision (f) of Section 110.1 for the period from the date of its sale by the claimant to the date on which the replacement property was purchased or new construction was completed.

(B) In the case where the original property has been substantially damaged or destroyed by misfortune or calamity and the owner does not rebuild on the original property, its full cash value, as determined in accordance with Section 110, immediately prior to its substantial damage or destruction by misfortune or calamity, as determined by the county assessor of the county in which the property is located, without the application of subdivision (h) of Section 2 of Article XIII A of the California Constitution, plus the adjustments permitted by subdivision (b) of Section 2 of Article XIII A and subdivision (f) of Section 110.1, for the period from the date of its sale by the claimant to the date on which the replacement property was purchased or new construction was completed.

(8) “Sale” means any change in ownership of the original property for consideration.

(9) “Claimant” means any person claiming the property tax relief provided by this section. If a spouse of that person is a record owner of the replacement dwelling, the spouse is also a claimant for purposes of determining whether in any future claim filed by the spouse under this section the condition of eligibility specified in paragraph (7) of subdivision (b) has been met.

(10) “Property that is eligible for the homeowner’s exemption” includes property that is the principal place of residence of its owner and is entitled to exemption pursuant to Section 205.5.

(11) “Person” means any individual, but does not include any firm, partnership, association, corporation, company, or other legal entity or organization of any kind.

(12) “Severely and permanently disabled” means any person described in subdivision (b) of Section 74.3.

(13) For the purposes of this section property is “substantially damaged or destroyed by misfortune or calamity” if it sustains physical damage amounting to more than 50 percent of its full cash value immediately prior to the misfortune or calamity. Damage includes a diminution in the value of property as a result of restricted access to the property where the restricted access was caused by the misfortune or calamity and is permanent in nature.

(h) (1) Upon the timely filing of a claim, the assessor shall adjust the new base year value of the replacement dwelling in conformity with this section. This adjustment shall be made as of the latest of the following dates:

(A) The date the original property is sold.

(B) The date the replacement dwelling is purchased.

(C) The date the new construction of the replacement dwelling is completed.

(2) Any taxes that were levied on the replacement dwelling prior to the filing of the claim on the basis of the replacement dwelling’s new base year value, and any allowable annual adjustments thereto, shall be canceled or refunded to the claimant to the extent that the taxes exceed the amount that would be due when determined on the basis of the adjusted new base year value.

(3) Notwithstanding Section 75.10, Chapter 3.5 (commencing with Section 75) shall be utilized for purposes of implementing this subdivision, including adjustments of the new base year value of replacement dwellings acquired prior to the sale of the original property.

(4) In the case where a claim under this section has been timely filed and granted, and new construction is performed upon the replacement dwelling subsequent to the transfer of base year value, the property tax relief provided by this section also shall apply to the replacement

dwelling, as improved, and thus there shall be no reassessment upon completion of the new construction if both of the following conditions are met:

(A) The new construction is completed within two years of the date of the sale of the original property and the owner notifies the assessor in writing of completion of the new construction within 30 days after completion.

(B) The fair market value of the new construction on the date of completion, plus the full cash value of the replacement dwelling on the date of acquisition, is not more than the full cash value of the original property as determined pursuant to paragraph (7) of subdivision (g) for purposes of granting the original claim.

(i) Any claimant may rescind a claim for the property tax relief provided by this section and shall not be considered to have received that relief for purposes of paragraph (7) of subdivision (b), and the assessor shall grant the rescission, if a written notice of rescission is delivered to the office of the assessor as follows:

(1) A written notice of rescission signed by the original filing claimant or claimants is delivered to the office of the assessor in which the original claim was filed.

(2) (A) Except as otherwise provided in this paragraph, the notice of rescission is delivered to the office of the assessor before the date that the county first issues, as a result of relief granted under this section, a refund check for property taxes imposed upon the replacement dwelling. If granting relief will not result in a refund of property taxes, then the notice shall be delivered before payment is first made of any property taxes, or any portion thereof, imposed upon the replacement dwelling consistent with relief granted under this section. If payment of the taxes is not made, then notice shall be delivered before the first date that those property taxes, or any portion thereof, imposed upon the replacement dwelling, consistent with relief granted under this section, are delinquent.

(B) Notwithstanding any other provision in this division, any time the notice of rescission is delivered to the office of the assessor within six years after relief was granted, provided that the replacement property has been vacated as the claimant's principal place of residence within 90 days after the original claim was filed, regardless of whether the property continues to receive the homeowner's exemption. If the rescission increases the base year value of a property, or the homeowners' exemption has been incorrectly allowed, appropriate escape assessments or supplemental assessments, including interest as provided in Section 506, shall be imposed. The limitations periods for any escape assessments or supplemental assessments shall not commence until July

1 of the assessment year in which the notice of rescission is delivered to the office of the assessor.

(3) The notice is accompanied by the payment of a fee as the assessor may require, provided that the fee shall not exceed an amount reasonably related to the estimated cost of processing a rescission claim, including both direct costs and developmental and indirect costs, such as costs for overhead, personnel, supplies, materials, office space, and computers.

(j) (1) With respect to the transfer of base year value of original properties to replacement dwellings located in the same county, this section, except as provided in paragraph (3) or (4), shall apply to any replacement dwelling that is purchased or newly constructed on or after November 6, 1986.

(2) With respect to the transfer of base year value of original properties to replacement dwellings located in different counties, except as provided in paragraph (4), this section shall apply to any replacement dwelling that is purchased or newly constructed on or after the date specified in accordance with subparagraph (E) of paragraph (2) of subdivision (a) in the ordinance of the county in which the replacement dwelling is located, but shall not apply to any replacement dwelling which was purchased or newly constructed before November 9, 1988.

(3) With respect to the transfer of base year value by a severely and permanently disabled person, this section shall apply only to replacement dwellings that are purchased or newly constructed on or after June 6, 1990.

(4) The amendments made to subdivision (e) by the act adding this paragraph shall apply only to replacement dwellings under Section 69 that are acquired or newly constructed on or after October 20, 1991, and shall apply commencing with the 1991–92 fiscal year.

(k) (1) In the case in which a county adopts an ordinance pursuant to paragraph (2) of subdivision (a) that establishes an applicable date which is more than three years prior to the date of adoption of the ordinance, those potential claimants who purchased or constructed replacement dwellings more than three years prior to the date of adoption of the ordinance and who would, therefore, be precluded from filing a timely claim, shall be deemed to have timely filed a claim if the claim is filed within three years after the date that the ordinance is adopted. This paragraph may not be construed as a waiver of any other requirement of this section.

(2) This subdivision does not apply to a claimant who has transferred his or her replacement dwelling prior to filing a claim.

(3) The property tax relief provided by this section, but filed under this subdivision, shall apply prospectively only, commencing with the lien date of the assessment year in which the claim is filed. There shall

be no refund or cancellation of taxes prior to the date that the claim is filed.

(l) No escape assessment may be levied if a transfer of base year value under this section has been erroneously granted by the assessor pursuant to an expired ordinance authorizing intercounty transfers of base year value.

(m) The amendments made to subdivisions (b) and (g) of this section by the act adding this subdivision apply only to replacement dwellings that are acquired or newly constructed on or after March 24, 1999, and shall apply commencing with the 1998–99 fiscal year. The property tax relief provided by this section, but filed under this subdivision, shall apply prospectively only, commencing with the lien date of the assessment year in which the claim is filed. There shall be no refund or cancellation of taxes prior to the date that the claim is filed.

SEC. 3. Section 532 of the Revenue and Taxation Code is amended to read:

532. (a) Except as provided in subdivision (b), any assessment made pursuant to either Article 3 (commencing with Section 501) or this article shall be made within four years after July 1 of the assessment year in which the property escaped taxation or was underassessed.

(b) (1) Any assessment to which the penalty provided for in Section 504 must be added shall be made within eight years after July 1 of the assessment year in which the property escaped taxation or was underassessed.

(2) Any assessment resulting from an unrecorded change in ownership or change in control for which either a change in ownership statement, as required by Section 480 or a preliminary change in ownership report, as required by Section 480.3, is not filed with respect to the event giving rise to the escape assessment or underassessment shall be made within eight years after July 1 of the assessment year in which the property escaped taxation or was underassessed. For purposes of this paragraph, an “unrecorded change in ownership or change in control” means a deed or other document evidencing a change in ownership that was not filed with the county recorder’s office at the time the event took place.

(3) Notwithstanding paragraphs (1) and (2), in the case where property has escaped taxation, in whole or in part, or has been underassessed, following a change in ownership or change in control and either the penalty provided for in Section 503 must be added or a change in ownership statement, as required by Section 480.1 or 480.2 was not filed with respect to the event giving rise to the escape assessment or underassessment, an escape assessment shall be made for each year in which the property escaped taxation or was underassessed.

(c) For purposes of this section, “assessment year” means the period defined in Section 118.

SEC. 4. Section 606 of the Revenue and Taxation Code is amended to read:

606. (a) Except as provided in subdivisions (b) and (c), when any tract of land is situated in two or more revenue districts, the part in each district shall be separately assessed.

(b) Where the owner of two or more contiguous parcels comprising the tract is identical, and the full value of any parcel is less than twenty-five thousand dollars (\$25,000), that parcel may be combined with the contiguous parcel with the greatest assessed valuation.

(c) Where the owner of two or more contiguous parcels comprising the tract is identical, and the tract of land is being used for a single-family residence and constitutes 45,000 square feet or less, the smallest parcel may be combined with the largest contiguous parcel.

SEC. 5. Notwithstanding Section 2229 of the Revenue and Taxation Code, no appropriation is made by this act and the state shall not reimburse any local agency for any property tax revenues lost by it pursuant to this act.

SEC. 6. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars (\$1,000,000), reimbursement shall be made from the State Mandates Claims Fund.
